

WOODBIDGE HIGH SCHOOL WELCOME WEEK 2017

The school year is approaching and our staff is working hard here at WHS to prepare. In this letter, you will find information regarding our Data Confirmation process for the 2017-2018 school year, which will become available online through Parent Portal on July 31st. **This must be completed before your student attends Registration during Warrior Welcome Week in August.**

If you're receiving this email, you've already completed your residency verification, which is the initial step of the registration process at WHS. If for some reason you have not provided residency verification, proof of required immunizations, or submitted your student's course requests please do so as soon as the Office opens on August 14th.

The Data Confirmation process is an annual process that occurs at the beginning of every school year ***for all students*** - both continuing and new students alike. This process will provide parents and guardians the opportunity to update information that may have changed over the course of the previous year, ensuring that each student's data remains current and correct.

In an effort to reduce paperwork our Data Confirmation process will be completed entirely on-line for your convenience. Please follow the directions below to complete the Data Confirmation process for each child that attends WHS.

If you have any questions, please don't hesitate to contact the front office at 949-936-7800. Our front office will be open to assist you from 8:00 AM to 4:00 PM beginning on Monday, August 14th, 2017.

Monday August 14th Senior Registration	Tuesday August 15th Junior Registration	Wednesday August 16th Sophomore Registration	Thursday August 17th Freshman Registration
