Turn over to complete a sample scheduling grid with the classes you have planned.

## Things to keep in mind:

-You must choose at least 5 classes

-All students must be enrolled in classes during periods 3,4,5 & 6

- Additional classes (beyond 6) must be “open enrollment” classes (refer to the list of “open enrollment” classes on your WHS Course Request Worksheet). Although there is no guarantee for placement, you can talk with your counselor about being placed on an “interest list” for other additional classes, (non “open enrollment”), you are interested in taking.

-If you want to request open periods, you must request from the following: open period 1, open periods 1 and 2, open period 8, or open periods 7 and 8.
